WHO WE ARE

At HTA Insurance Services, we help individuals navigate Medicare with clarity, compassion, and confidence.

More than insurance advisors, we're educators and advocates—listening first, educating thoroughly, and walking beside you every step of the way. Leading with heart is the foundation of everything we do, making Medicare simple, personal, and stress-free.

WHAT MAKES HTA UNIQUE

Education First, Always
We believe in informed decisions. You'll never feel rushed or confused — we take the time to explain every option.

No Sales Pressure, Ever
Our Medicare advisors are salaried, not commission-based. That means you get unbiased recommendations based solely on your needs.

Access to Top Carriers
HTA offers plans from leading national and regional Medicare insurance providers — giving you a wide range of trusted choices.

Lifelong Support
Your relationship with HTA doesn't end after enrollment. We're here year after year to assist with plan reviews, changes, or questions.

WE MAKE MEDICARE EASY

Whether you're:

- Turning 65
- Retiring past age 65
- Losing employer coverage
- Helping a loved one through the process

HTA is here to guide you through every Medicare decision with:

- Roadmap to Medicare educational webinars
- Personalized consultations
- Plan comparisons across carriers
- Enrollment assistance
- Ongoing annual support

We simplify the process — so you can focus on living, not insurance.
