Delta Dental of Illinois

Delta Dental of Illinois will make you smile.

You are a member of the largest and most experienced dental benefits carrier. You have the benefit of our over 50 years of dental expertise. You've made a smart choice to elect dental benefit coverage. Good oral health starts with good dental coverage and knowledge. Your smile is a powerful thing and it's safe with Delta Dental of Illinois.

Your oral health and satisfaction are extremely important to us. We are committed to ensuring you and your covered dependents receive quality dental care and superior customer service. For help answering any questions, please visit us online at deltadentalil.com, download our Delta Dental mobile app, (see the enclosures here for all you can access through our website and mobile app) or contact our Customer Service Department at 800-323-1743. We look forward to serving you.

Delta Dental of Illinois is partnering with Amplifon to provide you with an added benefit for deeply discounted hearing aids and hearing healthcare services. One in 9 Americans experience some form of hearing loss – and that number is expected to double by 2030. The good news is that 95 percent of hearing loss is treatable with hearing aids. Please see the information sheet included in this packet or visit http://www.amplifonusa.com/ deltadentalil to learn more.

Your Delta Dental Program

With your dental benefit program, you are free to go to any licensed dentist. However, you will save the most money by visiting a dentist in the Delta Dental PPOSM network.

Delta Dental PPO dentists agree to accept our allowed PPO fees as payment in full, which means they can't charge you the difference between their usual fee and our allowed fee. On average, patients save 30 percent on the fee a Delta Dental PPO dentist would typically submit for a claim. Not only will you save money, but you can also stretch your benefit dollars – the less the claim reimbursement, the less dollars applied to your annual maximum.

Delta Dental Premier[®] is a safety net for our Delta Dental PPO network. You will pay more out-of-pocket with a Delta Dental Premier dentist compared to a Delta Dental PPO dentist. However, you may save more money with a Delta Dental Premier dentist compared to a non-network dentist. Delta Dental Premier dentists agree to our maximum plan allowances as payment in full, which may be lower than what a dentist would typically charge. See below for savings examples.

	Amount Billed	Delta Dental of Illinois' Allowed Amount	Coverage Percentage Paid by Delta Dental of Illinois	Amount Delta Dental of Illinois Pays*	Amount Dentist Can Bill You Over the Allowed Amount	Total Amount You Pay	Your Total Cost Savings

The information in the chart above is for illustrative purposes only and assumes the deductible has been met and the annual maximum has not been reached. There are some limitations on the expenses for which your dental plan pays. If you have specific questions regarding benefit coverage, limitations, exclusions or non-covered services, please refer to your certificate of coverage/dental benefit booklet or contact Delta Dental of Illinois. For specific fees and costs for a certain procedure, you can request a pre-estimate from your dentist.

Finding a Network Dentist

As you can see, it pays to use a Delta Dental PPO dentist. Visit deltadentalil.com today to find a network dentist. You can also download our free Delta Dental mobile app, available for Apple and Android devices, to find dentists and gauge the cost of common dental treatments using the Dental Care Cost Estimator tool.

What are my Benefits?

A highlight of your benefit plan is included with this packet. You can also review your benefits through the Member Connection at deltadentalil.com (please see the Member Connection sheet included in this packet). Please also review your certificate of coverage for a detailed description of your benefits. Delta Dental offers an array of dental benefits programs to our clients. The benefits you receive depend on the program options your group has selected. Payment policies differ for each program and likewise, not all treatments are covered similarly. Depending on the treatment, Delta Dental of Illinois will pay only the applicable percentage of the fee for the maximum we allow for that service. **Remember that you'll likely enjoy the most out-of-pocket savings if you visit a Delta Dental PPO network dentist.** The better you understand your program, the more you will know about what dental services are covered and understand what you may owe your dentist.

We're here to help. If you have questions, visit deltadentalil.com or call 800-323-1743 to connect with us.

Your dental benefit program also includes our Enhanced Benefits Program. Information is below.

Enhanced Benefits Program — Oral Health Meets Overall Health

Delta Dental of Illinois offers an Enhanced Benefit Program that enhances coverage for individuals who have specific health conditions that can be positively affected by additional oral health care. These enhancements are based on scientific evidence that shows treating and preventing oral disease in these situations can improve overall health. If you are eligible, you can sign up through the Member Connection (information is included).

When Do You Need a Predetermination of Benefits?

It is not required, but we recommend that you ask your dentist to predetermine services over \$200. If your dentist recommends a certain procedure that will cost over \$200, ask him or her to send a predetermination to Delta Dental of Illinois. We will issue a predetermination that indicates the amount covered for the procedure in advance. Assuming no changes are made to eligibility or additional benefits for other claims are paid prior to receiving treatment, you and your dentist will have a better idea how much will be covered under the benefit program and how much you will be required to pay for the service.

Submitting a Claim

Network dentists automatically submit claims to us. If you use a non-network dentist, you may have to file your own claim form. Our claims mailing address is: P.O. Box 5402, Lisle IL 60532.

Treat your hearing loss, easily and affordably

What causes hearing loss?

Hearing loss can be temporary and caused by simple things like ear wax or a cold. It can also be permanent, caused by damage to the tiny hair-like cells in the inner ear as a result of exposure to noise, aging, other health conditions, or certain medications.

When should I get my hearing checked?

Hearing loss can come on so gradually that you may not even notice it's happening. In general, you should have your hearing screened every three to five years, and tested annually if you are over the age of 50 or experiencing any of the following:

- Consistent exposure to loud noises.
- **Difficulty understanding** in noisy environments or in groups.
- Hearing mumbling or feeling as though people are not speaking clearly.
- **Ringing** in your ears.

How can I check my hearing?

Getting your hearing checked is now easier than ever with in-person and at-home options:

- Virtual screening allows you to confirm if hearing loss is detected from the comfort of home
- **Professional hearing evaluations** take place in a hearing care clinic setting. A hearing care professional will work with you to complete an in-depth evaluation of your hearing and propose solutions if hearing loss is indicated.

A DELTA DENTAL

Save More by Going PPO

When it comes to pearly whites, everyone wants to save a little green. With the Delta Dental PPO[™] network, you'll get the coverage you need at a lower out-of-pocket cost.

Here's why: Delta Dental PPO network dentists agree to accept our reduced PPO fees as payment in full for dental services. This means they cannot bill you the difference between what they usually charge for a dental service and what the Delta Dental PPO fee is. This requirement for network dentists is how we protect members from unexpected charges. On average, **members save 30%** on the fee a Delta Dental PPO dentist would normally charge for a service.

Delta Dental Premier[®] is a safety net for our Delta Dental PPO network. You will pay more out-of-pocket with a Delta Dental Premier Dentist compared to a Delta Dental PPO Dentist. However, you may save more with a Delta Dental Premier Dentist compared to a non-network Dentist. Delta Dental Premier Dentists agree to our maximum plan allowances as payment in full, which may be lower than the dentist's regular fee.

Finding a Delta Dental PPO[™] or Delta Dental Premier[®] Dentist

Finding a Delta Dental network dentist is easy. More than 3 out of every 4 dentists nationwide participate in a Delta Dental network. You can find a network dentist today by using the Dentist Search on our website or calling our automated phone system.

Provider Search

Go to deltadentalil.com, and select "Online Tools" and then "Find a Provider." On the following page, select "Dental."

2 To start your search, you can either enter the location where you want to locate network dentists (search by city/state or ZIP code), or search for a particular dentist or practice by name and ZIP code.

- Results will automatically display by proximity (within 10 miles from city or ZIP code) and all Delta Dental networks the dentist participates in will be listed. You can change the distance by selecting a new option under the "Distance from results" dropdown menu and clicking "Search Again."
- 4 You have the option to narrow your search based on the Delta Dental network a dentist participates in. You will save the most if you use a Delta Dental PPO network dentist. Any field marked with a red asterisk is a required field.
- 5 You can further narrow your search by selecting a specialty (such as orthodontist), languages spoken and gender.

Automated Phone System

You can also find a dentist through our automated phone system. Delta Dental PPO and Delta Dental Premier members can call 800-323-1743, say "Dentist Directory" and follow the automated instructions.
